Subject: Northrop Grumman/Naval Weapons Industrial Reserve Plant Facilities (Nassau and Suffolk Counties) - Health Consultation Available from the NYS Department of Health

Flag: Flag for follow up

Dear Interested Party:

You are receiving this notice because you previously expressed interested in the Northrop Grumman/Naval Weapons Industrial Reserve Plant Facility sites. Please follow the link below to access the Public Comment Draft Health Consultation for the Northrop Grumman/Naval Weapons Industrial Reserve Plant Facilities located in Nassau and Suffolk Counties. The New York State Department of Health (NYSDOH) developed this document, in cooperation with the U.S. Agency for Toxic Substances and Disease Registry. The health consultation summarizes environmental data, evaluates the public health implications of the site(s), and makes recommendations for site specific health activities.

Public comments on the draft health consultation are encouraged and should be sent to the NYSDOH before July 22, 2019. The document, factsheet, comment form, and address to send comments to can be found using the following link,

https://health.ny.gov/environmental/investigations/northrop_grumman/

Public Comment Ends: July 22, 2019
